Sir,

I have the honour to state that the Vice President, Hassan District Board having represented in his docket No. 44 dated 22nd./23rd. August 1910 that another breeding bull be supplied for the District Head Quarters as the one now maintained did not prove serviceable, the subject was placed before the District Board at their meeting held on 26th. and 27th. September 1910 when a resolution was passed to the effect that the present Amritmahal bull purchased for the District Board be sold by auction and that needful steps be taken to obtain another Amritmahal bull, the cost being met from the above mentioned provision in the current year's District Fund Budget.

2. In pursuance of the above resolution, the Amritmahal bull was sold in public auction during the cattle show held at Hassan on 2nd. January 1911 and made over to the highest bidder Amritegowda of the Chennarayapatna Taluk for Rs141/- out of which a sum of Rs20/- was recovered and credited in the Hassan Taluk Treasury; and the Amildar of Chennarayapatna Taluk was ordered to recover the balance of Rs121/- and remit ^{it} to the Hassan Taluk Treasury.

3. The Amildar of Chennarayapatna Taluk instead of remitting the balance as directed above, credited it to the

Chennarayapatna

(2)

Chennaravanatna Taluk Treasury; under "Personal Deposits" and submitted the record to the Divisional Assistant Commissioner, who solicited orders in the matter. This subject was again placed before the District Board at their meeting held on 29th. May 1911 and after fully discussing the matter of purchasing another Amritmahal bull they passed a resolution to the effect that the full amount of sale proceeds of Rs141/- be credited to the District Funds and that as experience has shown that Amritmahal bulls have not proved useful as breeding bulls, a Hallikar bull be purchased ^{for} ~~from~~ the District Board, and that Government sanction be obtained ~~for~~ the same. Copy of the resolution is enclosed.

4. Under the above circumstances I request that you will be so good as to obtain the sanction of Government for the purchase of a Hallikar bull, the cost thereof being met out of the provision of Rs250/- made under "X Miscellaneous 6 Amritmahal Bulls" in the District Fund Budget for the year 1911-12.

Sir.

With reference to your letter No. 1171/L.B.19-11-2 dated 3rd August 1911, I have the honor to point out that possibly these ryots want other work (such as milking ~~or~~ ploughing.) from these ^{cattle} bullocks rather than trotting or carriage work.

It would be only fair to allow them to control their own cattle breeding as long as they do not ask for Government Funds.

But as Government want trotting bullocks to register for Transport I would suggest that the only free bulls supplied should be of the Amrut Mahal Government Breed.

These are undoubtedly the best for Government purposes

I have the honor to be.

Your most obedient servant,

R. G. Jones
